

Independent Auditor's Report

To
The Members of Infini Systems Limited
(Formerly Known as Infini Systems Private Limited)
Report on the Audit of the Consolidated financial Statements:

Opinion

We have audited the accompanying Consolidated financial statements of **Infini Systems Limited (“the Company”)** (Formerly Known as **Infini Systems Private Limited**), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, (“AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the Consolidated financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial Statements.

Other Matter:

- i. We did not audit the Financial Statements of one Indian Subsidiary included in the Consolidated Financial Statements; whose Financial Statements include total assets (before consolidation adjustment) of Rs. 5,534.19 Lakhs as at March 31, 2026, and total revenues (before consolidation adjustment) of Rs. 5,610.04 Lakhs, net profit/(Loss) after tax (before consolidation adjustment) of Rs 780.98 Lakhs for the year ended March 31, 2026, respectively. These Financial Statements have been audited by their respective auditors whose reports have been furnished to us and our opinion in so far as it relates to the amounts and disclosures includes in respect of these branches is based solely on the report of their respective auditors.

Information Other than the Consolidated financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial Statements and our auditor's report thereon.
- Our opinion on the Consolidated financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Consolidated financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial Statements that give a true and fair view of the Consolidated financial position, consolidated financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal Consolidated financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's Consolidated financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these

Consolidated financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal Consolidated financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal Consolidated financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial Statements, including the disclosures, and whether the Consolidated financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were

of most significance in the audit of the Consolidated financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act for the purposes of our audit.

- a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- b) The Balance Sheet, the Statement of Profit and Loss, The Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- c) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2015, as amended.
- d) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- e) With respect to the adequacy of the internal Consolidated financial controls over Consolidated financial reporting of the Company with reference to these Consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal Consolidated financial controls over Consolidated financial reporting.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. According to the information and explanations given to us, the company has no pending litigations impacting its Consolidated financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

- iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The company has not declared and paid any dividend during the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the Consolidated financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Consolidated financial Controls Over Consolidated Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal Consolidated financial controls over Consolidated financial reporting of **Infini Systems Limited** (“the Company”) (**Formerly Known as Infini Systems Private Limited**) as of March 31, 2026 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Consolidated financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal Consolidated financial controls based on the internal control over Consolidated financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Consolidated financial Controls Over Consolidated financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal Consolidated financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Consolidated financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal Consolidated financial controls over Consolidated financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Consolidated financial Controls Over Consolidated financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal Consolidated financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal Consolidated financial controls over Consolidated financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal Consolidated financial controls system over Consolidated financial reporting and their operating effectiveness. Our audit of internal Consolidated financial controls over Consolidated financial reporting included obtaining an understanding of internal Consolidated financial controls over Consolidated financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal Consolidated financial controls system over Consolidated financial reporting of the Company.

Meaning of Internal Consolidated financial Controls Over Consolidated Financial Reporting

A company's internal Consolidated financial control over Consolidated financial reporting is a process designed to provide reasonable assurance regarding the reliability of Consolidated financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal Consolidated financial control over Consolidated financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

Limitations of Internal Consolidated financial Controls Over Consolidated Financial Reporting

Because of the inherent limitations of internal Consolidated financial controls over Consolidated financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal Consolidated financial controls over Consolidated financial reporting to future periods are subject to the risk that the internal Consolidated financial control over Consolidated financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal Consolidated financial controls system over Consolidated financial reporting and such internal Consolidated financial controls over Consolidated financial reporting were operating effectively as at March 31, 2026, based on the internal control over Consolidated financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Consolidated financial Controls Over Consolidated financial Reporting issued by the Institute of Chartered Accountants of India.

Statement of Significant Accounting Policies as at March 31, 2026

1 Corporate Information

Infini Systems Limited (formerly known as Infini Systems Private Limited) (the "Holding Company") was incorporated on July 01, 2010 under the provisions of the Companies Act, 2013 with the Registrar of Companies, Mumbai. The Company's registered office is situated at Global One, 2nd Floor, 252 Lal Bahadur Shastri Marg, Kurla West, Mumbai - 400070. The Company is headquartered in Mumbai and provides Banks and Financial Institutions (FI) with a suite of services, ranging from customer & vendor Digital Onboarding, Regulatory Compliant Know Your Customer (KYC) Management, Validating or Underwriting individuals or companies through Alternate Data sources and other such services.

The subsidiaries of the Company are primarily engaged in the business of developing and providing solutions and services around technology advancement and Digital Print media Services across wide range of clients.

2 Significant Accounting Policies

A) Basis of Preparation of Financial Statement

These consolidated financial statements relate to Infini Systems Limited (formerly known as Infini Systems Private Limited) (the "Holding Company"), and its subsidiary (together hereinafter referred to as "the Group"). The consolidated financial statements of the Group are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read together with rules made thereunder. In accordance with proviso to the Rule 4(A) of the Companies (Accounts) Rules, 2014, the term used in these consolidated financial statements are in accordance with the definition and other requirements specified in applicable accounting standards. The accounting policies adopted in the preparation of financial statements have been consistently applied.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The Group follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern. Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

Amounts in the financial statements are rounded off to nearest lakhs.

B) Basis of Consolidation

The financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21, 'Consolidated Financial Statements'. The financial statements of Infini Systems Limited (formerly known as Infini Systems Private Limited)– the Holding Company, and its subsidiaries have been combined on a line-by-line basis by adding together book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances and transactions and resulting unrealized gain / loss. The consolidated financial statements are prepared by applying uniform accounting policies in use at the Group. Minority interests have been excluded. Minority interests represent that part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Holding Company.

C) Use of Estimates

The preparation of these consolidated financial statements is in conformity with Indian GAAP requirements of judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

D) Accounting Convention

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

Revenue from sale of services is recognized when invoices are raised after the contract conditions are satisfied and as per the terms of agreement with the customers and the milestones achieved under the agreement. The Group collects Goods and Service Tax (GST) and other taxes on behalf of the government and, therefore, these are not economic benefits flowing to the Group. Hence, they are excluded from revenue.

Revenues from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The Group collects GST on behalf of the government and, therefore, it is not an economic benefit flowing to the Group. Hence, it is excluded from revenue.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Interest on income tax refund is recognised as other income in the year in which such interest is received.

Accounts Written Back: Liabilities or provisions no longer required are written back and recognised in the Statement of Profit and Loss under 'Other Income'. Such reversals are recognised only when there is certainty that the obligation no longer exists or that the risk requiring provision has ceased to exist.

Profit or loss arising from the sale of mutual fund units is recognised as capital gain or capital loss in the Statement of Profit and Loss under 'Other Income' or 'Other Expenses', as applicable. The capital gain is determined as the difference between the net sale proceeds and the carrying amount of the investment at the time of sale.

2 Property, Plant, Equipments and Intangible Assets

I Property, Plant & Equipment

- a) Property, Plant and Equipments are stated as per Cost Model i.e., at cost less accumulated depreciation and impairment, if any;
- b) The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price.
- c) Subsequent expenditures relating to Property, Plant and Equipments are capitalized only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss when incurred;
- d) The cost and related accumulated depreciated are eliminated from the consolidated financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit or Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell;
- e) Depreciation on Property, Plant and Equipments is provided to the extent of depreciable amount on Written Down Value (WDV) Method in such a manner so that the cost of asset (Net of realizable value) will be amortized over their estimated remaining useful life on SLM basis as per the useful life prescribed under Schedule II to the Companies Act 2013.

All Property, Plant and Equipments assets individually costing Rs. 5,000/- or less are fully depreciated in the year of installation/purchase.

- f) Depreciation methods, useful lives, and residual values are reviewed periodically at each financial year end.

II Intangible Assets

Intangible assets are identifiable non-monetary assets without physical substance, controlled by the Group, and from which future economic benefits are expected to flow. This policy is prepared in accordance with the AS-26 'Intangible Assets' as notified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rule, 2014 and will be consistently applied throughout the organization.

- a) Recognition: Intangible Assets are recognized based on the below mentioned policies:

A. Internally Generated Intangible assets will be recognized on the consolidated balance sheet when all of the following criteria are met:

- i) Identifiability: The intangible asset is capable of being separated or divided from the Group and sold, transferred, licensed, rented, or exchanged, either individually or together with a related contract, asset, or liability.
- ii) Control: The Group has the power to obtain future economic benefits from the intangible asset, either through its use or by granting others the right to use it.
- iii) Probable Future Economic Benefits: It is probable that the future economic benefits associated with the intangible asset will flow to the Group.
- iv) Reliable Measurement: The cost or fair value of the intangible asset can be measured reliably.

B. Intangible assets acquired separately from other assets will be initially measured at cost, which includes the purchase price, directly attributable acquisition costs, and any other costs necessary to bring the asset to its intended use. Intangible assets acquired through a business combination will be measured at cost less accumulated amortization and impairment value, if any on the acquisition date. Fair value reflects the price that would be received to sell the asset in an orderly transaction between market participants at the acquisition date.

- b) Subsequent Measurement: After initial recognition, intangible assets will be carried at cost less accumulated amortization and accumulated impairment losses i.e cost Model. Subsequent expenditures relating to Intangible assets are capitalized only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss when incurred;

- c) Amortization: Amortization is the systematic allocation of the cost of an intangible asset with a finite useful life over its expected useful life. The amortization method used will reflect the pattern in which the asset's economic benefits are consumed or utilized. Intangible assets with an indefinite useful life, such as certain brands or trademarks, will not be amortized but will be subject to an annual impairment review. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

d) Derecognition: Intangible assets will be derecognized from the balance sheet when they are disposed of, or when no future economic benefits are expected from their use or disposal. Any gain or loss arising from the derecognition of an intangible asset will be recognized in the income statement.

III Intangible Assets under Development

Intangible assets under development represent costs incurred on intangible items that are not yet ready for their intended use. These may include expenditures on internally developed software, digital platforms, technology solutions, or any other asset that will be classified as an intangible asset upon completion and commercial deployment.

Such expenditures are accumulated and presented as 'Intangible Assets under Development' under non-current assets until the development is complete. Upon completion, the cumulative cost is capitalised under 'Intangible Assets' and amortised over its estimated useful life, in accordance with the Group's policy on amortisation of intangible assets.

3 Impairment of Assets

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. An impairment loss is charged to the Consolidated Statement of Profit and Loss in the year in which an asset is identified as impaired. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years.

4 Investments

Classification of Investments:

Current Investments: Investments that are held with the intention of being disposed of within twelve months from the date of acquisition. These investments will be measured at the lower of cost and fair value. Changes in fair value will be recognized in the consolidated income statement.

Non-Current Investments: Investments that are not classified as current investments. Non-current investments will be measured at cost and will be subject to impairment testing. Any impairment loss will be recognized in the consolidated income statement.

Measurement of Investments:

a) **Initial Measurement:** Investments in shares will be initially recognized at cost, which includes the acquisition cost, transaction fees, and directly attributable acquisition costs.

b) **Subsequent Measurement:**

i. **Current Investments:** Current investments will be measured at the lower of cost and fair value at each reporting date. Any changes in fair value will be recognized in the consolidated income statement as gains or losses.

ii. **Non-Current Investments:** Non-current investments will be measured at cost less any impairment loss recognized in the consolidated income statement.

c) Investments will be derecognized from the balance sheet when they are sold or when their ownership interest is relinquished.

5 Retirement benefits & other employee benefits

Employee benefits include various forms of compensation and benefits provided to employees, and proper accounting is essential to accurately report the consolidated financial position and performance of the Group. This policy will be consistently applied throughout the Group.

(a) **Short-term Employees Benefits:**

Short-term employee benefits, such as salaries, wages, bonuses, and short-term compensated absences, will be recognized as an expense in the consolidated income statement in the period in which the related service is provided by the employees. The amounts recognized will be based on the undiscounted amount expected to be paid or provided.

(b) **Post-Employment Benefits:**

i. **Defined Contribution Plans:** Contributions to defined contribution plans, such as Provident Fund as per Employee Provident Fund Law and Employee State Insurance (ESI), will be recognized as an expense in the consolidated income statement when employees render the related service. The Group's obligations are limited to the amount of contributions made, and there are no further obligations once the contributions are paid.

ii. **Defined Benefit Plans:** For defined benefit plans, such as gratuity and pensions, the cost of providing benefits will be determined using the projected unit credit method. The present value of the defined benefit obligation will be measured, taking into account actuarial assumptions regarding employee turnover, mortality, and future salary increases. Any actuarial gains or losses and past service costs will be recognized immediately in the income statement.

(c) **Other Long-Term Employee Benefits:**

Other long-term employee benefits, such as compensated absences, will be recognized as an expense in the consolidated income statement when employees render the related service and become entitled to receive the benefits.

(d) **Termination Benefits:**

Termination benefits will be recognized as an expense when the Group is demonstrably committed to either terminating the employment of an employee before the normal retirement date or providing benefits as a result of an offer made to encourage voluntary redundancy.

(e) **Share-Based Payment:**

For share-based payment transactions, such as stock options or equity-settled stock appreciation rights (SARs) granted to employees, the fair value of the equity instruments granted will be recognized as an expense in the consolidated income statement over the vesting period. The fair value of the equity instruments will be measured at the grant date.

(f) Other Employee Benefits:

Other employee benefits, not covered by the above categories, will be recognized as an expense in the consolidated income statement when the Group has a present legal or constructive obligation to make the payments as a result of past events, and a reliable estimate of the obligation can be made.

6 Foreign exchange transactions

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Foreign-currency denominated monetary assets and liabilities outstanding as on year end, if any are translated at exchange rates in effect at the Consolidated Balance Sheet date. Foreign currency denominated non-monetary assets and liabilities measured at historical cost are translated at the exchange rate prevalent at the date of transaction. The gains or losses resulting from conversion in terms of the above are included in the Consolidated Statement of Profit and Loss. Revenue, expense and cash-flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of the transaction.

7 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

8 Borrowings and finance cost

Borrowings are recognised at the amount received from lenders. These include term loans, cash credit, overdraft facilities, and other credit arrangements obtained from banks and financial institutions.

Borrowings are classified as:

Current liabilities, if repayable within 12 months from the reporting date; and

Non-current liabilities, if the repayment is due after 12 months.

Repayments due within 12 months under long-term borrowing arrangements are presented as the current portion of long-term borrowings.

Borrowings are measured at their outstanding principal amount as on the consolidated balance sheet date. Accrued but unpaid interest is shown separately under other liabilities.

Finance costs comprise interest and other costs incurred in connection with the borrowing of funds.

These includes generally Interest on term loans and overdrafts, bank charges, processing fees or other financing-related charges. Finance costs are recognised as an expense in the Consolidated Statement of Profit and Loss in the period in which they are incurred, using the accrual basis of accounting.

9 Trade Receivables & Payable

Trade receivables are stated at their carrying value after deducting provision for doubtful debts, if any. The carrying value represents amounts receivable in the ordinary course of business, which are expected to be realised within a normal operating cycle and are classified as current assets.

Provision for doubtful receivables is made based on a review of outstanding amounts at the year-end and is charged to the Consolidated Statement of Profit and Loss. Receivables are written off when there is no reasonable expectation of recovery.

Trade payables represent liabilities for goods and services provided to the Group prior to the end of the financial year and which remain unpaid as on the reporting date. These are recognised at the contractual amounts and are settled as per agreed credit terms with vendors.

Trade payables are classified as current liabilities. The Group classifies its trade payables into:

- Dues to Micro, Small and Medium Enterprises (MSMEs), and
- Dues to other than MSMEs, based on information available with the management and disclosures required under the Micro, Small and Medium Enterprises Development Act, 2006 ("MSMED Act").

Identification of MSME status is based on confirmation from vendors and information available with the Group. Interest payable, if any, under the provisions of the MSMED Act for delayed payments beyond the stipulated date, is recognised in the books only when such liability is ascertained and accepted by the Group.

10 Taxation

The accounting treatment for the Income Tax in respect of the Group's income is based on the Accounting Standard on 'Accounting for Taxes on Income' (AS-22). The provision made for Income Tax in Accounts comprises both, the current tax and deferred tax. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Provision for Current Tax is made on the assessable Income Tax rate applicable to the relevant assessment year after considering various deductions available under the Income Tax Act, 1961.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the consolidated statement of profit and loss. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. The carrying amount of deferred tax asset/liability is reviewed at each Consolidated Balance Sheet date and consequential adjustments are carried out.

11 Earnings per share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period, in accordance with AS-20. Diluted earnings per share is computed by dividing the consolidated profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

12 Provisions and contingent liabilities

A provision is recognized if, as a result of a past event, the Group has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

13 Other expenses

Other expenses are recognised in the Consolidated Statement of Profit and Loss when the related goods or services are received or the liability is incurred. These include administrative expenses, legal & professional fees, rent, repair maintenance and other operating expenses that are not directly attributable to financing or investment activities. Expenses are recorded on an accrual basis unless otherwise stated.

14 Cash & cash equivalents

Cash and cash equivalents in balance sheet comprise of cash on hand, cash at banks and short term deposits with an original maturity of twelve months or less which are subject to insignificant risk of changes in value. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

Fixed Deposits with original maturity exceeding Twelve months are classified as non-current investments.

For the purpose of Cash Flow Statement, cash and cash equivalents consists of cash and bank balances reported under Current Assets.

15 Other assets & Other Liabilities

Other assets include non-financial and financial assets such as prepaid expense, security deposits, advances, input tax credit, TDS receivable etc. These are recorded at cost or carrying value based on the nature of transaction.

Other liabilities include non-financial and financial liabilities such as employee payable, other expense payables, statutory liabilities, advances received etc. These are recorded at their settlement value and are accrued when the obligation arises.

16 Segment reporting

The Group operates in two business segment and therefore, Accounting Standard 17 – “Segment Reporting” issued by the Institute of Chartered Accountants of India is applicable to the Group. The Group upon till previous year provided Fraud and Risk Solutions to Banks and Financial Institutions. During the year, Nityo Tech Private Limited was acquired with effect from September 27, 2024 which provides management consultancy and management services. Accordingly the Group operates in product development and providing services.

17 Amalgamation in the nature of Purchase

An amalgamation in the nature of purchase is accounted for using the purchase method. The cost of an acquisition/ amalgamation is measured as the aggregate of the consideration transferred, measured at fair value. Other aspects of accounting are as below:

- The assets and liabilities of the transferor Group are recognized at their fair values at the date of amalgamation. The reserves, whether capital or revenue, of the transferor Group, except statutory reserves, are not recognized.
- Any excess consideration over the value of the net assets of the transferor Group acquired is recognized as goodwill. If the amount of the consideration is lower than the value of the net assets acquired, the difference is treated as capital reserve.

18 Goodwill

Goodwill is not subject to amortisation and is tested annually for impairment. Goodwill is carried at cost less accumulated impairment losses.

32 Employee Benefits

Defined Contribution Plan

The Company's contribution to provident fund In accordance with the Employee's Provident Fund and Miscellaneous Provisions Act, 1952 and Labour welfare fund (LWF) are considered as defined contribution plans and are charged as an expense in the Statement of Profit and Loss as they fall due based on the amount of contribution required to be made.

Defined Benefit Plan

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. Under the gratuity plan, every employee who has completed atleast five years of service is eligible. The plan provides for a lump-sum payment to eligible employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. The Company does not make any contributions to gratuity funds and the plan is unfunded. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the respective plans.

A Defined Contribution Plan

33 Employee stock option plans

The company provides share-based payment schemes to its employees. The eligible employees of the Company have been granted stock options under the "Veefin Solutions Private Limited - Employee Stock Option Plan, 2023" ("ESOP Plan") operated and managed by Veefin Solutions Limited ("Holding Company"). According to the Scheme, option has been granted to eligible employees of the Company which are to be vested from time to time. Under this plan, holders of the vested options are entitled to purchase shares of the holding company at the exercise price of the shares determined at the respective date of grant of options

The Company have 'Infini- Employee Stock Option Plan, 2024' for Equity Settled Share Based Payment Transaction, under which options have been granted to eligible employees to be vested from time to time.

The Company has established share option plans that entitle the employees of the Company and its subsidiary companies to purchase the shares of the Company. Under these plans, holders of the vested options are entitled to purchase shares at the exercise price of the shares determined at the respective date of grant of options.

The key terms and conditions related to vesting of grants under these plans are continued employment with the company and in some cases non market performance condition to be satisfied from date of grant of options till the date of vesting; all options are to be settled by delivery of shares.

The cost of stock options granted under "the ESOP Plan" have been recognised as group share based payments transaction (equity settled) in accordance with 'Guidance Note on Accounting for Share-based Payments (Revised 2020)'. In terms of the aforesaid arrangement, the Company accounts for the cost of the fair value of options granted to the eligible employees as employee benefits expense with a corresponding increase in 'Capital contribution for share based payments' under 'Reserves and Surplus'.

Table Shows Nature and characteristics of ESOPs Granted During the year:

Particulars	ESOP PLAN 2024		ESOP PLAN 2023	
	FY 2025-26	FY 2024-25	FY 2025-26	FY 2024-25
Grant Date	1-Apr-25	NA	01 Apr 2025; 28 July 2025; 17 Oct 2025; 13 Jan 2026	27 May 2024; 23 July 2024; 22 Oct 2024; 06 Jan 2025
Vesting requirement	1 Year to 4 Years	NA	1 Year to 4 Years	1 Year to 4 Years
Vesting ratio	100% on Vesting date for some ESOPs	NA	100% on Vesting date for some ESOPs and custom vesting ratio for some cases	100% on Vesting date for some ESOPs and 25% each year for some ESOPs
