

## **INDEPENDENT AUDITOR'S REPORT**

---

To The Members of IDVEE DIGITAL LABS PRIVATE LIMITED

Report on the Audit of Financial Statements:

### **Opinion**

We have audited the accompanying financial statements of IDVEE DIGITAL LABS PRIVATE LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Loss and its cash flows for the year ended on that date.

### **Basis for opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Standalone financial statements as a whole and in forming our opinion thereon and we do not

provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

### **Information Other than the standalone financial statements and Auditor's Report Thereon**

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report on in this regard.

### **Management's Responsibility for the standalone financial statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule made thereunder and relevant provisions of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management and Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the rules made thereunder and the relevant provisions of the Act.

- e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact on its standalone financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts as such the question of commenting on any material foreseeable losses thereon does not arise.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
  - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) of rule 11(e) as provided under (a) and (b) above contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **Annexure "A" to the Independent Auditor's Report**

---

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of IDVEE DIGITAL LABS PRIVATE LIMITED of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls over financial reporting of IDVEE DIGITAL LABS PRIVATE LIMITED ("the Company") as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial with reference to the financial statement**

A company's internal financial control with reference to standalone statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Limitations of Internal Financial Controls with reference to the financial statement**

Because of the inherent limitations of internal financial controls with reference to standalone financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statement to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statement and such internal financial controls with reference to standalone financial statement were operating effectively as at March 31, 2025, based on the internal control with reference to standalone financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**Idvee Digital Labs Private Limited**  
**Statement of Significant Accounting Policies**

**1. Corporate Information**

Idvee Digital Labs Private Limited (the "Company") was incorporated on October 11, 2023 under the provisions of the Companies Act, 2013 with the Registrar of Companies, Mumbai. The Company's registered office is situated at Global one, 2nd Floor, CTS No 252,252 1, OPP SBI, LBS Marg, Kurla(W), Mumbai, Maharashtra, India, 400070. The Company is headquartered in Mumbai and provides software development services i.e. computer programming, consultancy and other related services. It is a subsidiary of Veefin Solutions Limited (Formerly known as Veefin Solutions Private Limited).

**2. Significant Accounting Policies**

**A) Basis of Preparation of Financial Statement**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read together with rules made thereunder. In accordance with proviso to the Rule 4(A) of the Companies (Accounts) Rules, 2014, the term used in these financial statements are in accordance with the definition and other requirements specified in applicable accounting standards. The accounting policies adopted in the preparation of financial statements have been consistently applied.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The Company follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern. Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

Amounts in the financial statements are rounded off to nearest lakhs.

**B) Use of Estimates**

The preparation of financial statements is in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

### **C) Accounting Convention**

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

#### **i) Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of services is recognized when invoices are raised after the contract conditions are satisfied and as per the terms of agreement with the customers and the milestones achieved under the agreement. The company collects Goods and Service Tax (GST) and other taxes on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

#### **ii) Property, Plant & Equipment**

- a) Property, Plant and Equipments are stated as per Cost Model i.e., at cost less accumulated depreciation and impairment, if any;
- b) The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any trade discounts and rebates are deducted in arriving at the purchase price.
- c) Subsequent expenditures relating to Property, Plant and Equipments are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss as and when incurred;
- d) The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit or Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell;
- e) Depreciation on Property, Plant and Equipments is provided to the extent of depreciable amount on Written Down Value (WDV) Method in such a manner so that the cost of asset (Net of realizable value) will be amortized over their estimated remaining useful life on SLM basis as per the useful life prescribed under Schedule II to the Companies Act 2013.  
All Property, Plant and Equipments assets individually costing Rs. 5,000/- or less are fully depreciated in the year of installation/purchase.
- f) Depreciation methods, useful lives, and residual values are reviewed periodically at each financial year end.

**iii) Impairment of Assets**

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years.

**iv) Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

**v) Borrowings and finance cost**

Borrowings are recognised at the amount received from lenders. These include term loans, cash credit, overdraft facilities, and other credit arrangements obtained from banks and financial institutions and related parties.

Borrowings are classified as:

Current liabilities, if repayable within 12 months from the reporting date; and

Non-current liabilities, if the repayment is due after 12 months.

Repayments due within 12 months under long-term borrowing arrangements are presented as the current portion of long-term borrowings.

Borrowings are measured at their outstanding principal amount as on the balance sheet date. Accrued but unpaid interest is shown separately under other liabilities.

Finance costs comprise interest and other costs incurred in connection with the borrowing of funds.

These includes generally Interest on term loans and overdrafts, bank charges, processing fees or other financing-related charges. Finance costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred, using the accrual basis of accounting.

**vi) Trade Receivables & Payables**

Trade receivables are stated at their carrying value after deducting provision for doubtful debts, if any. The carrying value represents amounts receivable in the ordinary course of business, which are expected to be realised within a normal operating cycle and are classified as current assets.

Provision for doubtful receivables is made based on a review of outstanding amounts at the year-end and is charged to the Statement of Profit and Loss. Receivables are written off when there is no reasonable expectation of recovery.

Trade payables represent liabilities for goods and services provided to the Company prior to the end of the financial year and which remain unpaid as on the reporting date. These are recognised at the contractual amounts and are settled as per agreed credit terms with vendors.

Trade payables are classified as current liabilities. The Company classifies its trade payables into:

- Dues to Micro, Small and Medium Enterprises (MSMEs), and
- Dues to other than MSMEs, based on information available with the management and disclosures required under the Micro, Small and Medium Enterprises Development Act, 2006 ("MSMED Act").

Identification of MSME status is based on confirmation from vendors and information available with the Company. Interest payable, if any, under the provisions of the MSMED Act for delayed payments beyond the stipulated date, is recognised in the books only when such liability is ascertained and accepted by the Company.

#### **vii) Taxation**

The accounting treatment for the Income Tax is based on the Accounting Standard on 'Accounting for Taxes on Income' (AS-22). The provision made for Income Tax in Accounts comprises both, the current tax and deferred tax. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Provision for Current Tax is made on the assessable Income Tax rate applicable to the relevant assessment year after considering various deductions available under the Income Tax Act, 1961.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. The carrying amount of deferred tax asset/liability is reviewed at each Balance Sheet date and consequential adjustments are carried out.

#### **viii) Earnings per share**

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period, in accordance with AS-20. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for

deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

**ix) Provisions and contingent liabilities**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

**x) Other expenses**

Other expenses are recognised in the Statement of Profit and Loss when the related goods or services are received or the liability is incurred. These include administrative expenses, legal & professional fees, rent, repair maintenance and other operating expenses that are not directly attributable to financing or investment activities. Expenses are recorded on an accrual basis unless otherwise stated.

**xi) Cash & cash equivalents**

Cash and cash equivalents in balance sheet comprise of cash on hand, cash at banks and short term deposits with an original maturity of twelve months or less which are subject to insignificant risk of changes in value. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

**xii) Other assets & Other Liabilities**

Other assets include non-financial and financial assets such as prepaid expense, security deposits, advances, input tax credit, TDS receivable etc. These are recorded at cost or carrying value based on the nature of transaction.

Other liabilities include non-financial and financial liabilities such as employee payable, other payables, statutory liabilities, advances received etc. These are recorded at there settlement value and are accrued when the obligation arises.

**xiii) Segment reporting**

The Company is primarily engaged in development of embedded finance solutions i.e. integrating holding companies lending solutions into non-financial platforms and applications to a wide range of clients. Accordingly, the Company operates in only one business segment and therefore, Accounting Standard 17 – “Segment Reporting” issued by the Institute of Chartered Accountants of India is not applicable to the company.
