**Press Release**

**Veefin Solutions Appoints Global Banking Technology Leader Niraj Vedwa as Senior Advisor**

Mumbai, 24 November 2025

Veefin Solutions Limited (BSE: VEEFIN), a rapidly growing global provider of enterprise banking technology, today announced the appointment of **Niraj Vedwa** as **Senior Advisor** to its Advisory Board.

Mr Vedwa brings over 40 years of experience in banking technology, digital strategy, and global enterprise transformation. Recognised as a Fintech Guru and a leading voice in modernising banking across continents, he has previously held senior leadership positions including:

- Global Head – Banking & Member of the Management Board, Tech Mahindra
- Member of the Management Board & APAC Director, Temenos AG (Switzerland)
- Chief Operating Officer, Nucleus Software

In addition to his advisory and consulting work, he currently serves as an Independent Director at **XacBank** in Mongolia. He is also the Founder & CEO of Acceleric FZ LLE in the UAE, where he advises global banks and fintech institutions.

His experience spans SCF, Cash Management, Trade Finance, Digital Channels, Core Banking, Embedded Finance, and end-to-end Transaction Banking solutions across Asia, Middle East, Africa, and Europe.

**Strategic Importance to Veefin's Next Phase**

*"Niraj's global experience in banking technology and enterprise transformation comes at a pivotal time for Veefin. As we expand beyond Supply Chain Finance into the broader Transaction Banking stack — including Trade, Cash Management, Digital Lending and Corporate Digital Banking — his strategic guidance will strongly accelerate our product depth, governance maturity and global expansion."*

— **Raja Debnath, Managing Director & Co-Founder**

*"Veefin has moved beyond being a pure SCF platform into a full-spectrum Transaction Banking technology provider. The clarity of its product vision, the strength of its architecture, and the ambition of its leadership make this a rare opportunity to contribute meaningfully. I look forward to supporting Veefin's global expansion, strengthening its institutional partnerships, and guiding its evolution into a major enterprise banking technology player."*

— **Niraj Vedwa**

**About Veefin Solutions Limited**

Veefin Solutions is a global enterprise software provider with a unified product suite across Supply Chain Finance, Trade Finance, Cash Management Systems, Corporate & Retail Internet Banking, Digital Lending (LOS/LMS), and Fraud & Risk Analytics, built on the next-generation Veefin 4.0 architecture. Veefin enables banks and financial institutions across continents to digitise and scale their working-capital, lending, and transaction-banking ecosystems.
