ABOUT

Veefin Solutions Ltd is a leading tech platform provider delivering end-to-end digital solutions across the global working capital and lending ecosystem.

The company specialises in enterprise-grade software for banks and NBFCs spanning Supply Chain Finance (SCF), Cash Management Services (CMS), Trade Finance, Corporate and Retail Internet Banking, Loan Origination and Loan Management Systems, and AI-enabled decisioning, helping financial institutions and corporates enhance liquidity and expand credit access.

Veefin also has a seven-year exclusive deal to run the PSB Xchange platform that connects PSU Banks, private banks, NBFCs to Corporates and Fintechs for SCF, Trade Finance, and all forms of financing, veritably making it the World's largest Working Capital Finance Ecosystem.

As a global industry leader in SCF, Veefin serves 40+ banks and NBFCs across 15 countries, powering over USD 40 billion in annualised disbursements. The SCF business operates at strong economics, with EBITDA margins above 54% and high renewal rates that drive predictable recurring revenues. Profits from SCF further support ongoing IP investments across the six other products.

On a consolidated basis, H1 FY26 revenues grew 476% YoY, EBITDA by 244%, and profit by 99%, demonstrating robust scaling across both our organic business lines and the contributions from newly consolidated entities. With a global total addressable market of USD 36 – 65 billion and a strategic focus on growing recurring SaaS revenues, Veefin is positioned for aggressive and profitable growth in the years ahead.
